DETAILED ACTION

Allowable Subject Matter

1. Claims 1 and 3-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regards to Independent Claim 1, the Applicant has sufficiently claimed and narrowly defined a vehicle lamp including an LED surrounded by a double-cone shaped light-conducting element which is then further surrounded and adjoined in the same plane by at least one reflection part that has a height less than or equal to said light-conducting element. The prior art of record fails to teach or suggest the combination of structural elements, specifically an LED that is surrounded by a light-conducting element to emit light from said LED laterally to the further surrounding reflection part, claimed herein, and all subsequent dependent claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
